- Lunch
- Serve at Homeless Youth Dayroom (rotate between ministries each afternoon)
- Dinner
- Team Discussion

### Wednesday Night

Free time

### Final Night

Worship Service

### Final Morning

Clean Kaleo center and travel home

# Dallas

Dallas is the 9th largest city by population in the United States. And if you add in the metropolitan areas, it becomes the 4th largest metropolitan area in the United States. What this means is that there is a lot of need and a lot of opportunity to love, learn and serve. There are an estimated 6,000-10,000 homeless and one of every five people lives in poverty. 23% of the south Dallas population lives below the poverty line. More than 60,000 people live in public housing.

Our partner ministries faithfully serve in Dallas through ministries such as after-school tutoring, Bible clubs, befriending individuals and families experiencing homelessness, Bible Studies for the elderly, school supply drives, and sports camps. We also have an incredible opportunity in Dallas to reach out to refugees from all over the world, who are here in our own backyard. We partner with ministries that reach out to the hundreds of men, women and children who have fled their home countries in search of refuge, as in times of war, political oppression, or religious persecution.

## Ministry Partners

**In Dallas we serve in many ways. Some of the ministries you will be involved with are:**

- \* Working with the growing community of people from some of the most truly marginalized and oppressed countries worldwide.
- \* Home visits to refugee families
- \* Sports camps for local children
- \* Summer programs for children living at homeless shelters
- \* Dayrooms for young adults experiencing homelessness
- \* Sports camps for low-income apartment complexes
- \* Working alongside young adults in drug/alcohol rehab
- \* Helping local churches reach out to their neighbors
- \* Homeless ministry for the unsheltered

\*\*Each week's ministry will reflect the needs of our ministry partners. Your team's schedule will be communicated to you by the Kaleo City Director.
